EXECUTIVE SUMMARY

In January of 2019, Victoria County received a final invoice from Virtus, Inc. for \$852,078.05 for its Hurricane Harvey related insurance repairs for Victoria County. The County began its due diligence in reviewing the final invoice from Virtus, Inc. through the formation of a working group. As part of that review, it was determined that additional documentation was needed to support payment of the invoice in full and a partial payment was made. A partial payment was approved by the Commissioner's Court for completion of work described in the scope of work. The working group continues to examine the remaining balance of that invoice and verify the completion of all work associated thereto.

Although outside the scope of this review, it is worth noting the following related to Victoria County's insurance funded repairs as of December 5, 2019:

- Victoria County has received \$2,949,957.55 for Hurricane Harvey related damage to county buildings.
- Victoria County has spent \$3,050,432.40 on Hurricane Harvey related repairs on county Buildings.
- Of the \$3,050,432.40 paid for repairs to county buildings, \$1,848,550.01 was paid to Virtus. \$800,531.00 of that amount was attributable to the demolition of nine buildings at the Victoria Regional Airport.
- The working group has determined that the insurance proceeds received for damaged county buildings, including those buildings at the Victoria Regional Airport, have been associated with the scopes of work identified by Abercrombie, Simmons, & Gillette, Inc. as well as the additional capital improvement projects.
- Victoria County has requested documentation and explanation from Virtus on the remaining \$352,078.05 of its final invoice in order to complete its review and issue payment, if any.
- Virtus has not provided documentation to support the remaining \$352,078.05 of its final invoice. As such, Victoria County continues to decline payment on this amount unless/until sufficient supporting documentation is provided.
- Victoria County continues to pursue all monies which it is entitled under the terms of our insurance coverage, including an estimated \$784,000.00 related to depreciation expenses that is anticipated being received in 2020.

Virtus/Commercial Restoration Company (CRC) Financial Synopsis

Insurance Reimbursement Received = \$2,949,957.55

Virtus Invoices:

Virtus Invoices from Scope of Work	=	\$1,185,953.11
Virtus Invoices from Change Orders	=	\$ 230,440.00
Virtus Demolition Work ¹	=	\$ 800,531.00
Virtus Total Invoices	=	<u>\$2,216,924.11</u>

Victoria County Payment of Invoices:

Previous Invoices Paid for Scope of Work	=	\$ 351,779.01
4/22/19 Invoice Payment for Scope of Work	=	\$ 500,000.00
Change Order Payments	=	\$ 196,240.00
Demolition Payments	=	\$ 800,531.00
Victoria County Payment Total	=	<u>\$1,848,550.01</u>

Pending Documentation Needed:

Virtus Final Invoice	=	\$ 852,078.05
Scope of Work Completed ²	=	Pending Documentation
Change Orders ³	=	Pending Documentation
Supplemental Work Orders ⁴	=	Pending Documentation

Comparison:

Virtus Project Value from Final Invoice	=	\$1,185,953.11
Victoria County's Review of Scope of Work ⁵	=	\$ 996,471.05

[1] Victoria County paid \$1,244,526.91 for the demolition of County owned buildings including the \$800,531.00 payment to Virtus.

[2] Awaiting documentation and explanation from Virtus.

[3] Awaiting documentation and explanation from Virtus.

[4] Awaiting documentation and explanation from Virtus.

[5] Based on Victoria County's review of the scope of work and physical inspection of the invoiced buildings, this is an unverified total and is based only on the property damage estimate in the scope of work. County is awaiting documentation and explanation from Virtus to support the invoiced totals and the scope of work completed.

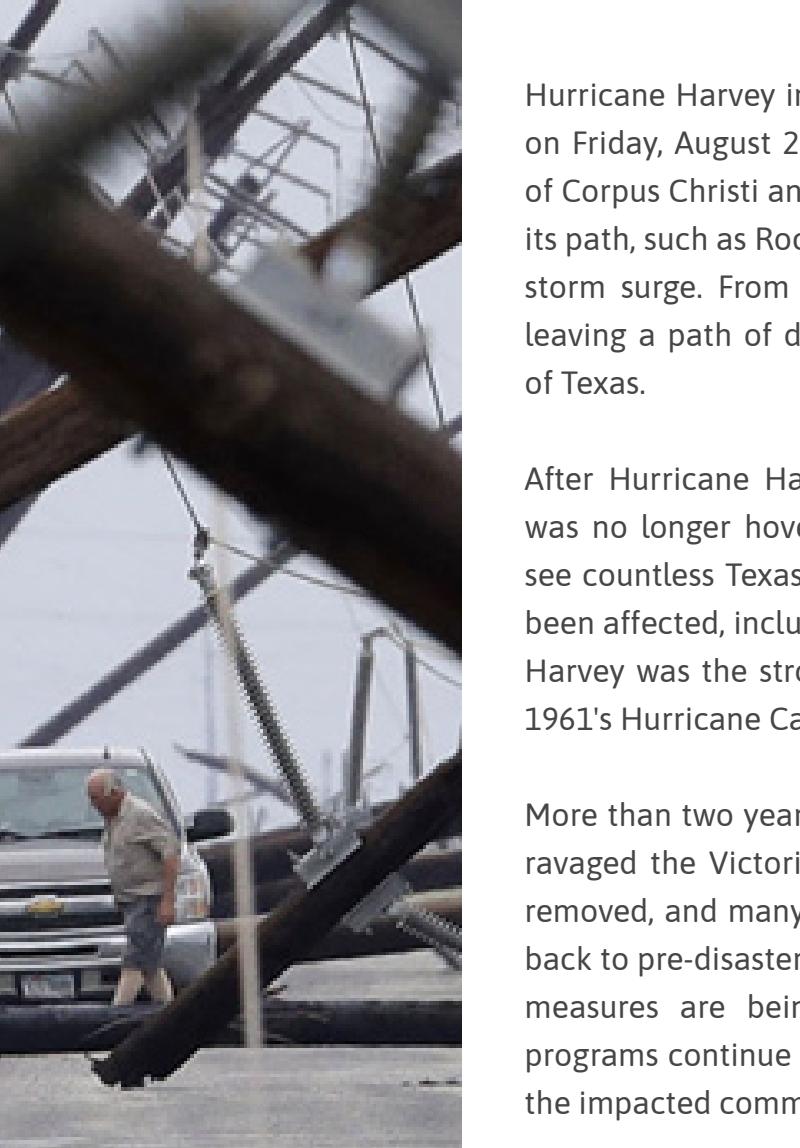

The Victoria County Insurance Claims Working Group was formed and consists of individual representation from the following county departments:

- Victoria County Commissioners Court
- Victoria County Auditor's Office
- Victoria County Administrative Services
- Victoria Office of Emergency Management

DEVELOPMENT OF
INSURANCE
WORKING GROUP

02.

A LANDMARK EVENT

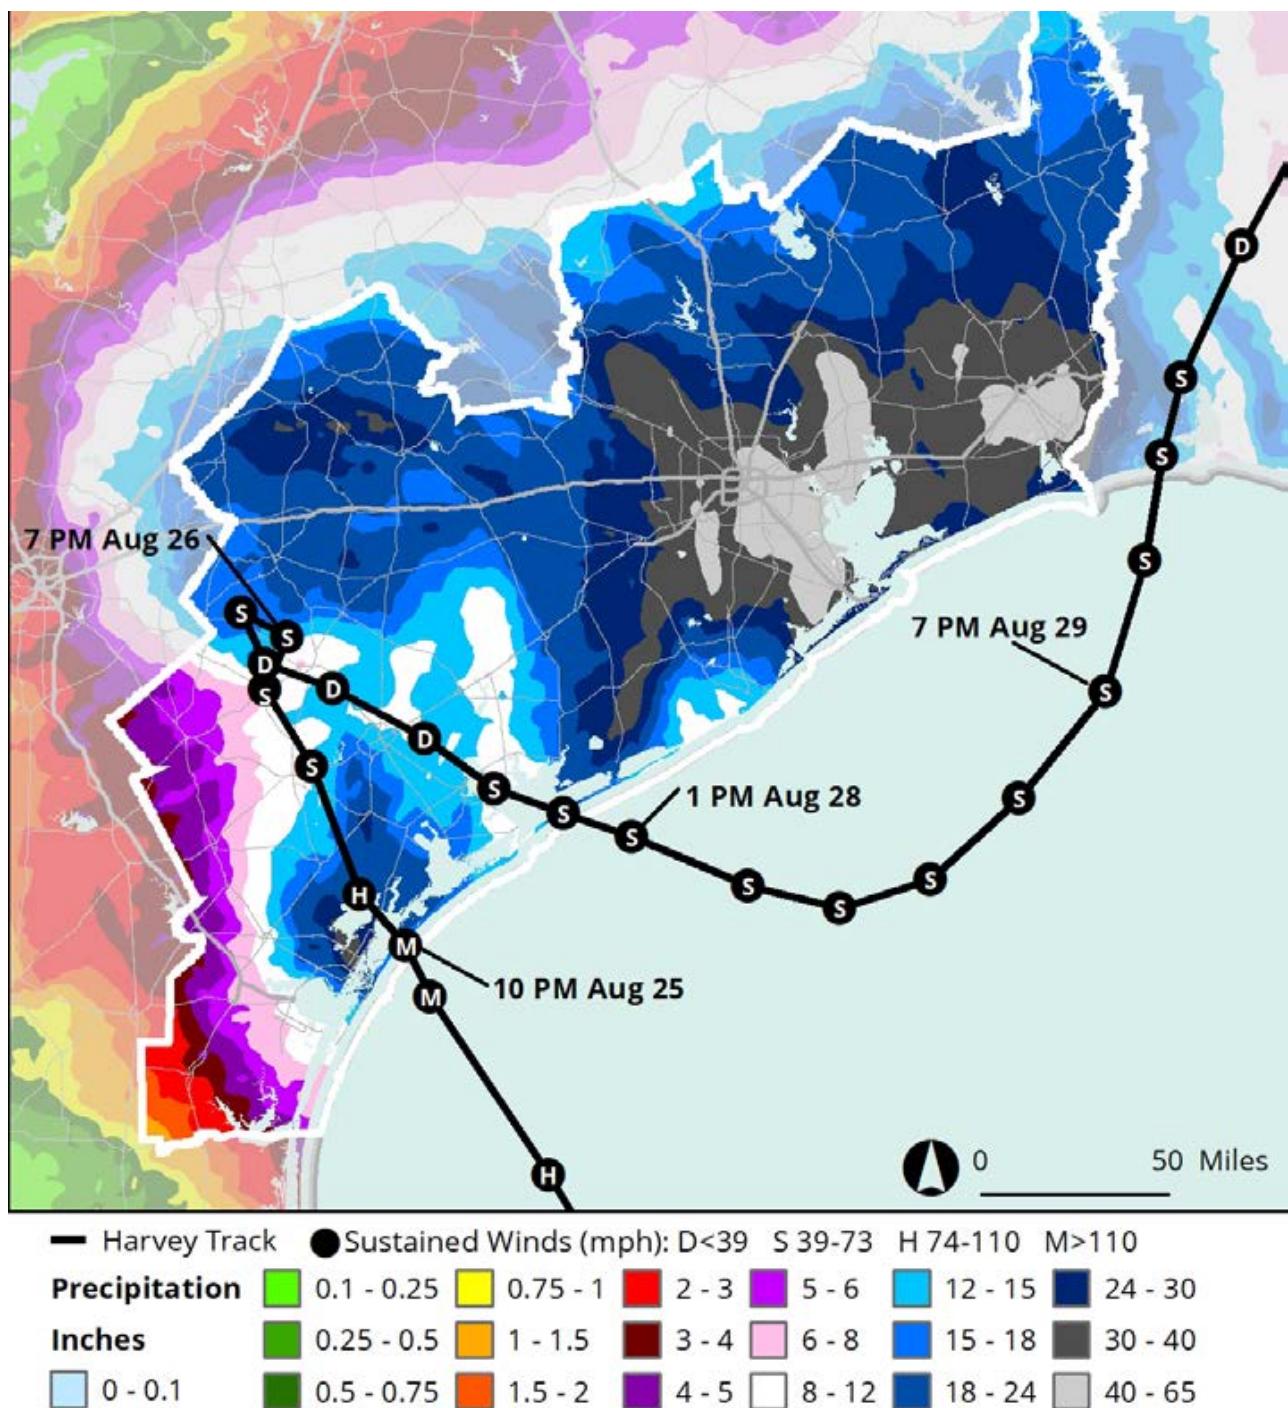

Hurricane Harvey impacted the Texas Gulf Coast just before 10 pm on Friday, August 25, 2017. The storm came ashore just North-East of Corpus Christi and quickly devastated the coastal communities in its path, such as Rockport, with 130 mile-per-hour winds and six-foot storm surge. From there, Hurricane Harvey meandered Eastward, leaving a path of destruction that covered an unprecedented area of Texas.

After Hurricane Harvey dissipated into a tropical depression and was no longer hovering over a large area of the state, one could see countless Texas counties and cities, and millions of Texans had been affected, including Victoria County and its residents. Hurricane Harvey was the strongest hurricane to strike the Texas coast since 1961's Hurricane Carla.

More than two years have passed since this catastrophic event that ravaged the Victoria area. Thousands of tons of debris have been removed, and many of Victoria County's functions and facilities are back to pre-disaster status. Recovery efforts continue and mitigation measures are being implemented, all while federal and state programs continue to rebuild Victoria County along with the rest of the impacted communities in the Great State of Texas.

IMPACTS TO
VICTORIA
COUNTY

“

"In the two years since Hurricane Harvey, Texans have responded with strength and determination to restore the communities affected by the storm."

-Governor Greg Abbott

”

Hurricane Harvey began as a tropical wave that formed just off of the African coast. Traveling across the Atlantic Ocean, past the Lesser Antilles Islands and into the Gulf Coast, it gained strength and intensified into a Major Category Hurricane, making it one of the strongest hurricanes South Texans would not soon forget.

- **15"** plus inches of rainfall
- **110** mph winds in the county
- **31.25'** Guadalupe River crest
- **160,000** cubic yards of debris in Victoria County alone
- **75%** of Victoria County residential/commercial properties damaged
- **7.1** mil. in county FEMA public assistance funds
- **72** county-owned properties damaged
- **4.5** mil. in insurance claims
- **1.6** mil. in immediate remediation repairs

03.

HURRICANE HARVEY INSURANCE PROCESS

August 2017 -- As Hurricane Harvey made landfall on August 25, 2017, Victoria County leadership along with the Governor of Texas had already declared a local state of disaster. In the days following, Victoria County contacted the Texas Association of Counties (TAC), who is the primary insurance provider for county-owned facilities, to start the insurance claim process. Immediately, TAC provided Victoria County with a contracted company, whom they hired to perform immediate mitigation and remediation work on county-owned facilities. This work consisted of dry out procedures, content removal, dry wall removal, tarp installation, and temporary roof repairs. The Victoria County Administrative Services (VCAS) Director continued as the primary TAC Insurance project manager. VCAS, along with various department heads and elected officials began the processes of working with TAC and outside adjusters on identifying all county damages and ongoing mitigation projects.

September 2017 -- In September of 2017, pursuant to Chapter 418 of the Texas Disaster Act of 1975, and the Texas Local Government Code, Chapter 262, the recommendation was given to exercise bid exemptions for contracted work for insurance claims related to Hurricane Harvey. Virtus, Inc. was selected to perform some of the repair work from Hurricane Harvey as identified in the scope of services, prepared by Abercrombie, Simmons, & Gillette, Inc. Virtus, along with VCAS, TAC, and outside adjusters, would develop and agree upon all insurance claims and necessary repairs to county-owned facilities.

October 2017/December 2018 -- From the fall of 2017 through the winter of 2018, VCAS, along with various county departments identified and adjusted all scopes of permanent work performed by Virtus and outside adjusters, paid for by TAC, through the County's property insurance funds.

Jan/Feb 2019 -- On January 7, 2019, Victoria County received a final invoice from Virtus totaling \$852,078.05 associated to the insurance claims. With the departure of the VCAS Director/insurance project manager in early February, the County held the invoice and began an internal review of the claim.

March 2019 -- In early March, the Working Group convened to review and balance known insurance claims, invoices, and payments related to county insurance recovery and repair work from Hurricane Harvey.

HURRICANE HARVEY INSURANCE PROCESS

The Working Group discussed that not only had Victoria County's insurance project manager retired, but both of the representative's working with the County from TAC and Virtus were no longer employed with those organizations. The Working Group began the arduous task of collecting insurance documents, scopes of work, invoices, and other pertinent items related to the insurance process.

April 2019 -- On April 12, 2019, the Working Group had it's first meeting with a new Virtus representative to review unresolved questions raised regarding information provided. During this meeting, both parties came to an agreement that a partial payment would be made to settle work that had already been performed by Virtus, in accordance with the scope of work reviewed by the Working Group. However, the remaining balance would be unpaid until all work was accounted for through necessary documentation and explanation by Virtus. The Commissioner's Court approved the partial payment to Virtus, which was paid out on April 22, 2019.

May 2019 -- The Victoria County attorney, in conjunction with the Working Group, presents to the commissioners court, in a closed executive session, legal advice related to the initial findings of the insurance review. It was the recommendation of the county's attorney that a meeting be held between TAC and Virtus representatives. The Working Group would establish a base of findings and recommendations to work from and resolve questions related to the final invoice and the scope of work. Personnel issues and schedule conflicts postpone this meeting until July 5, 2019.

June 2019 -- By early June, the Victoria County Working Group had reviewed all related invoices, claims, and scopes of work in relation to Hurricane Harvey Recovery and is prepared to provide all information to Virtus representatives and the Commissioner's Court. Legal counsel advised the Working Group to refrain from releasing the information because documents were still in a draft format, and it was in the best interest of the County to wait until Virtus provided requested documentation.

July 2019 -- The Working Group met with Virtus representatives and TAC to present their findings and address deficiencies between the final invoice, supporting documentation, and scope of work. This was the first meeting since the Working Group was formed, that all agency representatives were present, and new project managers were assigned from TAC & Virtus. At the meeting, TAC presented that the contractor invoices are often void of detail, and lack a specific scope of work on the tasks performed. TAC explains that this is a normal industry practice and project managers are typically in agreement with the work performed and later billed for. From that meeting, Virtus representatives understood that Victoria County's new direction was to have detailed invoices supporting claimed amounts and the scope of work being performed. From this new direction given, the Working Group was informed by Virtus representatives that they would begin collecting all outstanding documents, invoices, change orders, and supplemental charges to present to the Working Group on August 2, 2019. The Working Group sent a follow-up request to Virtus on July 15, 2019, prior to its scheduled August 2, 2019 meeting to reiterate it's new direction, questions needed to be answered, and documentation that was needed to enable the group to complete their review.

HURRICANE HARVEY INSURANCE PROCESS

August 2019 -- Due to unforeseen circumstances, Virtus cancelled the meeting scheduled for August 2, 2019. Following that, the Working Group determined that they had received an outdated scope of work document, provided by a Virtus representative. After further research and coordination with the county's insurance adjustor, Abercrombie, Simmons, & Gillette, Inc., the Working Group obtained the current scope of work, began validating the new information, and discovered that minimal changes were made. On August 19, 2019, the Working Group presented to Commissioner's Court a recommendation to submit an extension to TAC concerning capital improvement projects associated with the recoverable depreciation from insurance proceeds related to Hurricane Harvey. The Court agreed with the recommendation and the extension was passed through Commissioner's Court on August 26, 2019.

The working group attempted to contact the designated Virtus representative to ascertain where the company was at with providing details to support the claims previously questioned. The Virtus Group notified the working group that the designated representative for Victoria County's project had taken a leave of absence and would be unavailable until the latter part of September 2019.

September 2019 -- On September 11, 2019, the Victoria County Working Group met with Virtus representatives to present the Working Groups findings. During this meeting, Virtus committed to the Working Group that they would present more documentation and answered questions at the next meeting. The Working Group sent a follow-up request to Virtus on September 20, 2019, prior to its scheduled September 25, 2019 meeting, to continue its due diligence and make sure that the meeting was as productive and efficient as possible by reiterating the previously requested documentation needed by the Working Group. On September 23, 2019, of the same month, Commissioner Kevin Janak requested from all county departments to notify him of any Hurricane Harvey-related damages that were not sufficiently addressed by the contractor assigned to repair on the county claims. Commissioner Janak asked that all information be submitted by September 27, 2019.

On September 25, 2019, the Working Group met with Virtus representatives again to solidify a schedule of reviews, walk-through's, and project validation directly related to Hurricane Harvey damages.

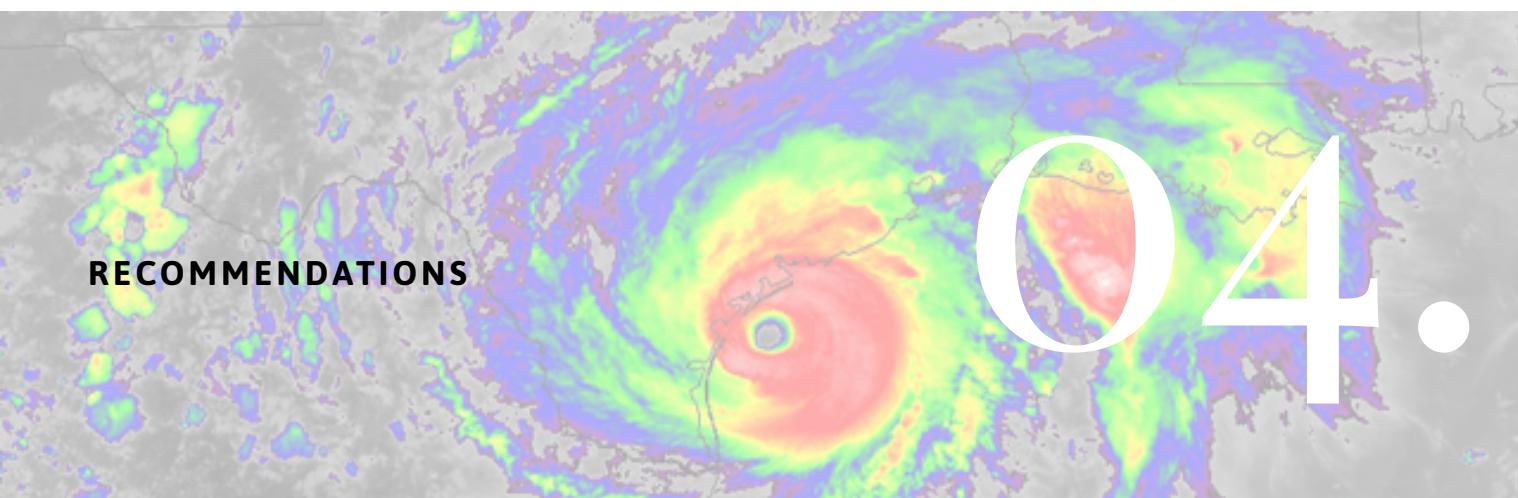

HURRICANE HARVEY INSURANCE PROCESS

October 2019 -- On October 2, 2019, the Working Group reconvenes with Virtus representatives to discuss further research done on Virtus' behalf. However, the Virtus representatives notified the Working Group that there were no findings at the time but the company was fully invested in reconciling the claims associated to the invoices provided by their company.

At the October 7, 2019, Commissioner's Court meeting, Commissioner Janak provided an update to the court about the progress the Working Group was making. At this same Commissioner's Court meeting, Virtus' representatives were present and stated that beginning that same week, their company would be providing additional representatives and resources to aid in the Working Group's mission. This additional work staff would be coordinating with the Working Group to conduct walk-through's and assessments of the work performed or needing to be performed in regard to the invoiced claims. The assessment lasted until October 11, 2019.

November 2019 -- The Working Group met on November 6, 2019 to review the progress made on the coordination with Virtus and the additional representatives, however, after discussion and updates from the Working Group members, it was determined that Virtus had not provided correspondence with Victoria County since the week of October 7, 2019 (almost a 5-week period).

On November 25, 2019, Commissioner's Court approves a letter to be sent to Virtus requesting that all needed documents be delivered to the County within ten days.

The following are recommendations from the working group on how to enable Victoria County to more adequately recover from another catastrophic incident and navigate the insurance process in the future.

Recommendation #1: Property Insurance Review Committee

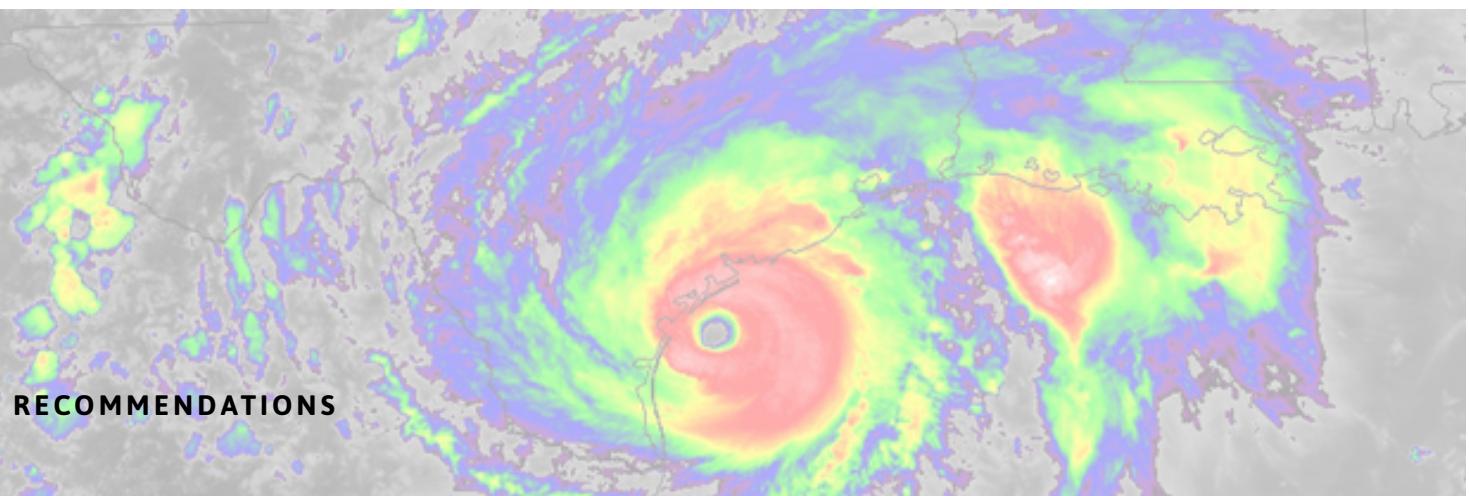

A committee is formed at renewal time and after any major event, to review the current property insurance coverage, recommend any changes, and to review other options. This committee should be created, in part, from county personnel, and to include, but not limited to: the County Judges office, County Auditor's Office, County Commissioner(s), VOEM, County Engineering, County Administrative Services, and County Facilities Maintenance Department.

Recommendation #2: Transparency

Transparency of information and communication to the Commissioners Court from County departments and/or elected officials, and any created County working groups consisting of weekly updates to include project status, supplemental changes, authority to perform work, and financial updates, as well as invoices, claims, and adjustments.

Recommendation #3: Project Management Working Group

The establishment of a Project Management County Working Group, assigned to all major insurance claims. Personnel assigned to the task Working Group should be from county departments and offices previously listed in Recommendation #1.

Recommendation #4: Pre-Disaster Contract Services

The establishment of a pre-disaster contractor agreement with negotiated services to be rendered at the time of a disaster for services included, but not limited to remediation, mitigation, and permanent work. These services would be utilized through a competitive bid process with a formal RFP, a scoring matrix, and a contract awarded.

Recommendation #5: External Audit Process

Engage Victoria County's outside auditing firm to analyze and audit the financial documents related to Virtus and its insurance-related work as part of the annual audit for Victoria County.

Date of Loss: 08/27/2017
Our File Number: CAT-11.21419.3281-LM

ENCLOSURES:

- 1) Property damage estimate
- 2) Final Service Invoice with detailed itemization

Dear Mr. Yandell:

This will supplement our closing report of 01/19/2018.

PROPERTY DAMAGE ESTIMATE:

On 03/06/2018 and 03/07/2018, we met with Mr. Shawn Jernigan with Virtus Group, the general contractors for Victoria County. After a day and a half of comparing estimates and re-inspecting some of the roofs on the buildings at the airport, **we were able to reach an agreed estimate in the amount of \$3,526,665.40. Should recoverable depreciation be considered it is in the amount of \$1,011,211.78 for an ACV claim of \$2,515,453.62.** Application of the \$50,000 deductible leaves a net claim of \$2,465,453.62.

It was agreed with Mr. Jernigan that if any additional damages were found during the tear out of any of the buildings they would contact our office to allow us to re-inspect for consideration of any supplements needed.

CONTENTS:

There is no change in the contents estimate.

Mr. Kevin Yandell

Victoria County

DISCLAIMER

Please note that the adjuster has no authority regarding repairs, verbally or written, or to make the final decision on coverage. When the adjuster has completed his report, it will be forwarded to the Insurance Company for review and final approval of damages.

The Insurance Company will make the final decision regarding coverage and the settlement of the claim. All payments and the final estimate will be issued by the Insurance Company. Any settlement letter issued by the Insurance Company will advise you of any additional benefits that may be available after the covered repairs have been completed and what is required.

If additional damages are discovered please contact the Insurance Company or adjuster before proceeding with any repairs not included in the estimate. Per the policy the insurance Company has a right to inspect and determine any additional damages that may be covered.

Subject: Repair invoices

Hi Joyce,

Here are the next batch of invoices. They are separated by building ID, the building name is on the actual invoice. I will add these to the spreadsheet and send that over as well. I do have a favor, could we get a schedule of payments? It would help me forecast payments and keep my corporate team at bay.

Thank you,

Luis Garcia
National Project Coordinator

Joyce,

Here are partial invoices from the work in progress. We are working on supplements, depreciation and other covered items. Have a great 4th! If you need anything, I'm here in town.

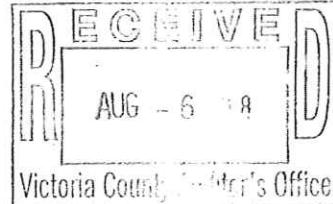

Thank you,

Joyce,

Please find the final invoices for demo of Golden Crescent and Pct 4 Fuel Island. This should be all of the demo invoicing and I am working on the other invoices to close out.

Let me know if you have any questions. Talk soon!

Thanks,

Subject: [BULK] FINAL DEMO INVOICING ATTACHED

Joyce,

Please find the final invoices for demo of Golden Crescent and Pct 4 Fuel Island. This should be all of the demo invoicing and I am working on the other invoices to close out.

Let me know if you have any questions. Talk soon!

Thanks,

384093

Luis,

The check will be available for pickup after 1pm on Monday April 22nd, as our Commissioner's Court has to approve all accounts payable in their meeting that morning. The check can be picked up from our Treasurer's Office located at 205 N Bridge St, Room 110, Victoria Texas.

Please let me know if you have any other questions.

Thanks,
Becky

Subject: RE: Victoria County Invoice - Statement

Becky,

I want to express my gratitude for everyone that was in the meeting. I sincerely hope that we can work through the remaining invoices to satisfy all parties. I am available to go look at any building or to meet this week. I am currently not too far working in another county, if anyone needs me this week and part of next week. I am in conversation with my controller this morning and will update you on the methods of delivery today.

Thank you,

Luis Garcia

Subject: Victoria County Invoice - Statement

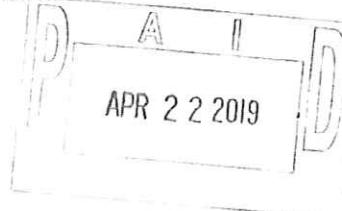

Mr. Garza,

Per our conversation this morning, Victoria County will release \$500,000.00 in funds in regards to the attached statement of invoices. These funds are not to be applied to any particular invoice as the invoices are still being reviewed for each building.

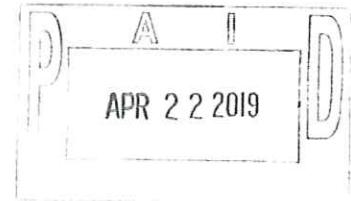

We will continue our review of each building to reconcile the invoices to the work performed.

Please let me know if you would like us to hold this check for pick up on April 22nd or mail it.

Thanks,
Becky

Notes:																		
Awaiting documentation and explanation from Virtus to verify the scope of work was completed and support the invoiced totals																		
From Change order on Maintenance/Fire Station																		
Reduced amount received from TAC for 020-014 437 Airplane hangar by \$50,000 deductible (We received 90% of our deductible back from FEMA attributable to Airport Buildings)																		
Need documentation for Supplemental for the Sky Restaurant-never filed with TAC; copy never received by Victoria County
