**Call to Order, Welcome, and Introduction of Members**

Chairperson Robbie Kirk called the meeting to order at 10:00 a.m., welcomed the group and asked for introductions of attendees.

### **Approval of Minutes**

- Mr. Kirk asked for a motion to approve October 22, 2009 minutes, Jeb Lacey motioned, and Adam Hernandez seconded, all approved.
- Alex Camacho noted that Pedro Amador, TxDPS, has transferred and Alex would get the information for his replacement.

### **U.S. Chemical Safety Video – Emergency Preparedness**

- LEPC Members viewed a 20 minute video on Emergency Preparedness. If you would like to view video, visit: [www.safetyvideos.gov](http://www.safetyvideos.gov). John Crews wanted access to video to show to various service organizations in the community. Brenda Rosbottom will obtain video for Mr. Crews. All safety videos are available (FREE) on the above noted website. Rex Mayes returned to the subject of Tier II reporting and possibly a UHV student to complete report for LEPC on local businesses reporting chemicals. The student in question has moved on. Mr. Lacey would like to include small businesses such as print shops, body shops, dry cleaners, etc who store chemicals on site that are not required to be reported. Joni Brown mentioned Marie Lester with the City of Victoria Environmental should have a list we could obtain. Richard McBrayer agreed to take on the task to obtain info. Vance Riley mentioned that the fire department will be obtaining a program "Fire House" and will be coordinated with City of Victoria GIS. Possibly Tier II reports could be added in the data. Mr. Lacey suggested an intern to load Tier II into Firehouse. Mr. McBrayer will follow-up on the progress of Fire House and Tier II data entry.
