MEET YOUR HEALTHCARE TEAM...

Dr. John McNeill-Medical Director

After spending 10 years as a Certified Paramedic Dr. McNeill completed his medical training in 1997 when he graduated with a Doctorate in Medicine. He worked as a full time ER doctor at Citizens Medical center before opening up his own Internal Medicine practice, Twin Fountains. Although you will not see him at your appointment he collaborates with Diana Galvan, FNP concerning your health care needs.

Diana Galvan, RN, FNP-C

Diana graduated from Texas A&M Corpus Christi in 1998 with a masters degree in Science. She has been a Nurse Practitioner for 19 years. Diana began her practice in prenatal care, and has worked in Pain Management and other Family Practice Clinics. She and her husband have 2 daughters. If you have not met Diana yet please schedule an appointment at your earliest convenience. She would love to meet you.

Jessica Woodward, LVN Clinic Coordinator

Jessica obtained her LVN license in 2005 from Victoria College. She has experience working in Occupational Medicine and Family Practice. She is also a Certified Breath Alcohol Technician, Drug screen collector and Hearing/Vision screener. Jessica has worked at the clinic since January of 2018. She and her husband reside in Victoria and have two sons. Feel free to contact her if you have any questions regarding the services that are offered here at the clinic.

Valerie Castillo, LVN

Valerie obtained her LVN license in 2006 from Victoria College. She began her nursing career working in Occupational Medicine and Family Practice. She is also a certified Breath Alcohol Technician, Drug screen collector and Hearing/Vision screener.. Valerie and her husband reside in Victoria and have two daughters. She started the clinic in February of 2019 and is a wonderful member to our team.

WHAT IS A NURSE PRACTITIONER?

A nurse practitioner (NP) is a nurse with a graduate degree in advanced practice nursing. This allows the NP to provide a broad range of health care services including:

- Patients history and physical
- Ordering appropriate lab tests and procedures
- Diagnosing, treating and managing acute and chronic diseases
- Providing prescriptions
- Coordinating referrals
- Promoting healthy activities in collaboration with the patient.

Nurse Practitioner specialties include:

- Family Practice
- Women's Health
- Pediatrics
- Geriatrics
- Adult Health
- Neonatology
- Mental Health
- Acute Care
